Excerpt from The Military History of the 123d Regiment Ohio Volunteer Infantry

In consenting to write the history of the organization, and the marches, skirmishes, battles and deeds of our brave old regiment, at this late date, is, I know, accepting an undertaking from which anyone might well shrink; and yet to preserve on record the dear old story, the task has been cheerfully attempted.

It is not expected that this book will be of interest to the general reader; to those only who participated in, or followed with loving 'eyes, its fortunes, will the dry details, which must necessarily often enter into its composition, be interesting, and without apology to the officers and men, of the 12 3d Ohio Volunteer Infantry, this book is offered as a true record of their soldier life.
