The More You Ignore Me: A Novel Jo Brand

“Seriously Funny.”

—*The Mirror* (UK) Book of the Week<?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

The funniest and most original import from Britain since Monty Python’s Flying Circus, Jo Brand’s *The More You Ignore Me* manages to be both poignant and darkly comic at the same time. Actress and comedienne Brand—well known to viewers in the States from her work in *Absolutely Fabulous*—delivers an outrageous coming-of-age story in the tradition of the Adrian Mole novels, full of dysfunctional family life and celebrity obsession in the 1980s.
