Shrieks of joy ensue when Big Brown Bear devises a clever sled that can carry four bears in this quintessential winter adventure.

Here's a bright red sled

On a snowy day.

Where are the bears

To come out and play?

The little bears are ready to play in the snow. But — oh, no! Their sled is too small! It's not as much fun to go sledding only two at a time, but what can they use to carry them all? Luckily, Big Brown Bear has an idea — and it starts with a belly flop!
