## **BENDING THE MIND AROUND THE DREAM'S BLOWN FUSE** Timothy Liu

Poetry. Asian American Studies. "Timothy Liu is too often reduced to being a poet of sexual audacity. He is audacious, but perhaps in his baroque architecture, his fluency, his intricacy, and his unwillingness to reduce himself by dogma or theory or design. I love his growing, growling work, and his violent soft hints about the whole body politic in progressive zooms. But the permanent, complicated delight is Liu's poetry itself: uncontrollable melancholy and music"--David Shapiro. Timothy Liu is the author of seven other books of poetry, most recently POLYTHEOGAMY, also available from SPD. His poems have been translated into nine languages, and his papers and journals are archived in the Berg Collection at the New York Public Library. He lives in Manhattan.
