Peep into the mind of this amazing talent! A book of original drawings and poetry that will leave you wanting more! Taylor is an established dancer, model, fashion illustrator, business owner, choreographer, and co-founder of 5:15 Dance Ministry! As a little girl, Taylor saw people and the world differently than everyone else, she never felt welcomed or excepted in the world, and at times was bullied for being different "Eklectik." At a young age, she was diagnosed with A.D.D and later in her teens, learned that she was dyslexic, but instead of focusing on that, she began to focus on her strengths. She realized she had a passion for art and poetry and a unique eye for fashion. She began to accept who she was created to be and that she didn't have to try to fit into a mold created by man. She learned that she didn't have to prove who she was as long as God was pleased with her and that's how her brand "Eklectik" was born! She believes her mission is to help others understand that they are unique, beautiful, and designed with a purpose and plan in mind. Eklectik, a little world for all the aliens!
