Everything Good Will Come Sefi Atta

Everything Good Will Come introduces an important new voice in contemporary fiction. With insight and a lyrical wisdom, Nigerian-born Sefi Atta has written a powerful and eloquent story set in her African homeland. It is 1971, and Nigeria is under military rule-- though the politics of the state matter less than those of her home to Enitan Taiwo, an eleven-year-old girl tired of waiting for school to start. Will her mother, who has become deeply religious since the death of Enitan's brother, allow her friendship with the new girl next door, Sheri Bakare? This novel charts the fate of these two Nigerian girls, one who is prepared to manipulate the traditional system and one who attempts to defy it. Written in the voice of Enitan, against the backdrop of political turmoil in Nigeria, Everything Good Will Come is Enitan's story; one of a fiercely intelligent, strong young woman living in a culture that still insists on feminine submission.
