Grayscale images allow the colorist to create professional and ultra realistic looking images without adding shadows. Each image was carefully crated for maximum definition and focus on detail. You'll be so proud of your finished artwork that you will want to frame them so each image is featured on their own page with a border to allow easy cutting out. The resulting image will fit into an easily attainable standard 8 inch by 10 inch frame. Allow your mind to wander to far off places such as Tio Ximo Beach, Sviati Hory National Park, the Amalfi Coast, the Las Lajas Sanctuary or any of the other picturesque places.
