From "Branded": "...perhaps that was why I was vomiting just before I had to give my presentation on protecting corporate brand names & images so that no negative associations could be linked to that brand name & how important that is, it's a matter of free speech really, we have to be free for everybody to be able to speak in positive ways about our brand otherwise it will hurt our bottom line ..." Plays & stories & such sundries as will make copious noise. From the author of *The Violating Word*.
