**A tiny dog, a kindhearted girl, and a nervous juggler converge in a cinematic book in four acts — a unique children’s literature experience.**

Lucy is a small dog without a home. She had one once, but she remembers it only in her dreams. Eleanor is a little girl who looks forward to feeding the stray dog that appears faithfully beneath her window each day. Eleanor’s father is a juggler with stage fright. The overlapping stories of three delightful characters, offering a slightly different perspective each time, come together in a truly original, beautifully illustrated book for dog (and underdog) lovers of all ages.
