Radical Prunings: A Novel: A Novel of Officious Advice from the Contessa of Compost Bonnie Thomas Abbott

This rather deceptive work purports to be the collected horticultural columns of one opinionated Mertensia Corydalis. As Mertensia answers her readers' innocent gardening questions, she reveals more than she intends about her life, her relationships (from her prissy ex-husband to questionable interactions with her employees, Miss Vong and Tran), and her state of mind.

Radical Prunings is a literate, funny, and surprisingly bittersweet fiction debut from a writer with a sharp wit and a very green thumb.
