## **Remaking Manhood: Stories From the Front Lines of Change** Mr Mark C Greene

Remaking Manhood is a collection of Good Men Project Executive Editor Mark Greene's most popular articles on American culture, relationships, family and fatherhood. It is a timely and balanced look at the life affirming changes emerging from within the modern men's movement. "This is writing that unites men rather than dividing or exploiting them. It speaks to the very best part of men and asks them to bring that part to the fore—as fathers, as sons, as brothers, as husbands, as friends, as lovers, and as citizens of life." —Michael Rowe, author of *Other Men's Sons* "Read this book, but don't mistake it as a defense of men. Remaking Manhood is going to be considered a go-to piece of literature on the new "Male Revolution." —Jason Grant, CityDadsGroup.com "Mark interweaves his own deeply personal stories with a salient and powerful deconstruction of manhood in America." —Lisa Hickey, CEO, Good Men Project
